

T.F.T.T.

TFFT/ DIRECT ACTION GROUP

This one day course is designed to enhance the shooters ability to realistically prepare for and survive a multitude of challenges one may face in a lethal force encounter. This course is unique as it progresses well beyond the normal static range live fire training. The senior members of the TFFT/DAG will instruct on this special course. This course will be conducted only a few times annually.

COURSE OBJECTIVES:

- Combat Mindset
- Refinement of Tactical Shooting Skills
- Combat Presentation Marksmanship
- Precision Marksmanship
- Lethal Force Scenarios
- Combat Courses of Fire
- Mastery of the Fundamentals
