## PSD/VIP PROTECTION

JUNE 13-17, 2012 • TUITION - \$700 • LOCATION - OAK CREEK, WI

The rise of extremism both overseas and here in the United States has driven the need for trained protection officers to new heights. Threats from criminal organizations, extremist groups and terrorist operatives are increasing both at home and abroad. High level threats against witnesses, suspects, judges, visiting dignitaries and other government officials can only be dealt with by highly trained operators. These operators act as a very effective deterrent to violence against a principle, or in extreme situations a shield against a direct attack. From everyday low level escorts to high profile protective details, the training delivered by TFFT is by far the best for your money. Course includes range work, classroom, and a final training exercise in town. This training module encompasses a wide variety of essential skills for personnel operating on a protective detail. Max Joseph and the other instructors on this course have worked VIP details in the most high-risk areas of the world, and we promise to give you the most up to date, cutting edge VIP Protection training you will find anywhere. **50 Hour Certificate provided upon successful course completion.**
